Bob,

I just received a copy of the LDF's letter to the Kozaks. Eric received this directly from the tribe's outside counsel. I wanted you both to see that the state is saying.

Gary and I (and possibly ORC) will be meeting with Darsi Foss tomorrow to discuss the Tower Standard site.

Margaret

Here is a copy of the RP letter sent by the Tribe to the LUST site owners. DNR – at

EPA's urging - "reopened" a state-funded cleanup there. These folks are very confused about the overlap issues – why received one letter from the state and another from the Tribe.

We are committed to service excellence.
